

## **HIKING CARPOOLS REIMBURSEMENT GUIDELINES:**

Riders are requested to pay driver to help offset driving costs when car pooling to hiking trails. Hike leaders should note these costs per passenger on the posted hike description:

Distance to Hike	Cost per Passenger
Up to 20 miles	\$4
Up to 40 miles	\$8
Up to 60 miles	\$12
Up to 80 miles	\$16
Up to 100 miles	\$20
Over 100 miles	\$23

When hikes require a Day Pass at a California State Park, the cost should be split amongst the occupants of each car. If a Annual pass is used, each passenger should pay the pass holder \$3.

For pre-hikes, the pre-hike driver may be reimbursed at twice this mileage rate. Send reimbursement requests to [LHhikersandwalkers@gmail.com](mailto:LHhikersandwalkers@gmail.com)
